Classes in this department are organized as occasion demands.

Ornamental Department.

I. Course in Vocal Music.

Two classes are organized in Vocal Music at the beginning of each term. The advanced class has drill exercises and practice in Quartette and Chorus Singing. The second class is designed for beginners and such as are not sufficiently proficient to read music readily and correctly.

II. Course in Instrumental Music.**I. ON THE PIANO.**

Mason and Hoadley's Method; Czerney's, Spindler's, and Concone's Exercises. Selections from best composers.

2. ON THE ORGAN.

Root and Cady's, or Getz's, School for the Organ; Vocal and Instrumental Sheet Music.

3. ON THE GUITAR.

Curtis's Method for the Spanish Guitar; Vocal and Instrumental Sheet Music.

The Fine Arts.

In this department we aim to make the student acquainted with nature—to train the mind and soul, as well as the hand and eye. Instruction is given in perspective and the principles of drawing; also, in oil, pastel, crayon, and water colors; in faces, figures, fruit, and landscape, both from models and from nature.

General Remarks.

LEBANON VALLEY COLLEGE is located at Annville, a pleasant rural village, situated in one of the most delightful portions of the beautiful Lebanon valley. The village is noted for its healthfulness and freedom from those temptations to vice so common to cities and large towns. It is accessible from all points, being located on the direct route of railroad travel from Harrisburg, *via* Reading, to Philadelphia or New York. Trains stopping at Annville leave Harrisburg and Reading six times a day, Sundays excepted.

BUILDINGS AND GROUNDS.

There are two large brick buildings, provided with modern improvements, and capable of accommodating a large number of students. The rooms are arranged for two students each, are well ventilated, contain clothes presses, and are heated with hot air. There is also a fine campus of about six acres. The Ladies' Hall is entirely separate from the other premises.

The Ladies' Department is under the immediate care of one of the lady teachers, and young ladies from abroad are furnished comfortable and pleasant homes, where they have every advantage for study and general improvement. Non-resident students board in the Institution, where they are under the continual care of the President and Professors.

FURNISHING AND OUTFIT.

Students are required to furnish their own bedding, excepting the mattress, bolster, and pillows. They should have their blankets, sheets, pillow-cases, and clothing indelibly marked with their full names.

Parents and guardians are advised that the student needs very little pocket money. In many cases it is safer that his funds be entrusted to an officer of the Institution, whose discretion may regulate his expenditures.

DISCIPLINE.

The object of the Institution is to afford a home, where parents or guardians may place their sons, daughters, and wards with safety and profit, and where young men and young women may be fitted for usefulness under influences calculated to refine their tastes, ennoble their aspirations, discipline their intellectual powers, and develop a high Christian character. The government of the College is STRICT, but PARENTAL. Every unexcused absence, failure, or misdemeanor of a student is reported to the Faculty, and a record made of the same.

The first three demerit marks will subject the student to private reproof; the first six to reproof before the Faculty; the first nine to reproof in public, with notice to parent or guardian; and the first twelve to dismissal from the College.

The Faculty may, on evidence of reformation, restore a dismissed student.

MATRICULATION.

No one is recognized as a student or permitted to enter any class of the College until he is matriculated, and his matriculation is deemed a pledge, on his part, to obey all the rules and regulations of the College.

STUDIES AND RECITATIONS.

Students are required to pursue the studies of the classes to which they are assigned, unless exempted for special reasons. No student is permitted to take a study to which he has not been assigned, nor to discontinue a study without permission obtained from the Faculty.

EXAMINATIONS.

Public examinations are held at the close of the first and second terms before a committee of the Faculty, and at the close of the year before a committee appointed by the Patronizing Conferences. The examinations are intended to be thorough, and have an influence in determining the standing of the student.

In all cases when, from any cause, a student has failed to be present at the regular examination, he shall undergo an examination before being permitted again to recite in the classes of the College.

PROMOTION.

- At the beginning of each term the old classes are reorganized and new ones are formed. At or near the close of each academic year, the names of all the members of each class separately come before the Faculty for promotion, and those of the senior class for graduation, and no student is promoted to a higher class, or to graduation, except upon the unanimous vote of the Faculty.

RHETORICAL EXERCISE.

An exercise in composition is required of each student once in two weeks; also, a public oratorical exercise of the regular College classes monthly.

LEAVE OF ABSENCE.

No student is allowed to be absent during the term without special permission. The absence of a student, for even a day, during his term time, exerts on his progress an evil influence, which is seldom fully appreciated by parents and guardians; hence, no apology but that of sickness or unavoidable accident is sufficient to excuse a student from a regular attendance at recitation.

BOOKS OF REFERENCE.

The following manuals are recommended: Anthon's Classical Dictionary, Leverett's Latin Lexicon, Liddell and Scott's Greek Lexicon, Webster's or Worcester's Unabridged Dictionary, Long's Classical Atlas, Hadley's Greek Grammar, Roby's or Zumpt's Latin Grammar, and Adler's German and English Dictionary.

RELIGIOUS SERVICES.

Religious service is held in the College Chapel in the morning of each day, and all students are required to attend.

Students from abroad, who are residents of the College, are also required to attend public worship on the Sabbath in the College Chapel,

unless otherwise directed by the Faculty, except those who, on account of church membership, or wish of parent or guardian, may prefer to attend church elsewhere.

A student's prayer-meeting, which all are invited to attend, is held on each Tuesday evening.

DEPARTMENTS OF STUDY.

The curriculum of the College embraces three courses, namely : The CLASSICAL, the LADIES', and the SCIENTIFIC. Each of these is separate from the rest, yet complete in itself.

LIBRARIES AND CABINET.

The College Library, to which all the students have access without charge, contains upwards of twelve hundred volumes. The Libraries of the Literary Societies also comprise a respectable number of well selected and standard volumes. These libraries are constantly increasing by donations of friends of the College.

The Cabinet contains a collection of specimens in Mineralogy, Geology, and Natural History.

DEGREES.

Bachelor of Arts.—This degree is conferred in course upon any student of the College who completes the studies of the Classical Course, and passes a satisfactory examination upon the same.

Mistress of Arts.—This degree is conferred in course upon any lady student who completes the studies of the Ladies' Course, and passes a satisfactory examination upon the same.

Master of Arts.—This degree is, on application, conferred upon any Bachelor of Arts who has, for at least three years after his graduation, devoted himself to literary or professional pursuits, and has, during the same time, sustained a good moral character. Fee, five dollars.

CERTIFICATE.

To any student who completes the Scientific Course, a certificate to that effect is given.

LITERARY SOCIETIES.

There are connected with the College three Literary Societies—the PHILOKOSMIAN, the KALUZETAN, and the CLONIAN. The last is the ladies' society. Each has its proper hall, and two of them have their own libraries.
